### Dimensions

LOA: 32 ft 11 in

Beam: 9 ft 2 in

LWL: 27 ft 7 in

Dry Weight: 10143 lbs

### Engine Options

Engine Option 1: 2x Yanmar 6 LYA/STP 370 HP

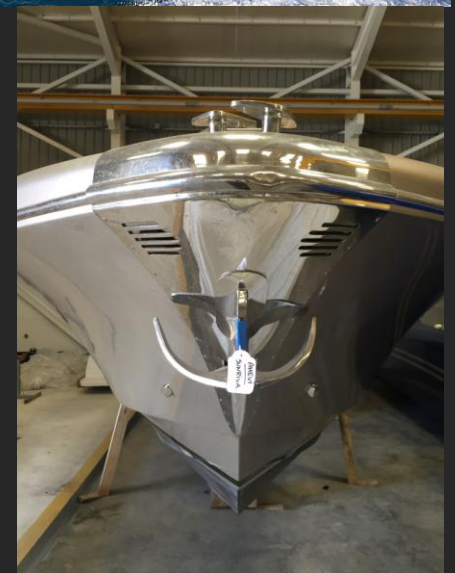

### Tanks

Fresh Water Tanks: (34 Gallons)

Fuel Tanks: (127 Gallons)

### Accommodations

Seating Capacity: 8

This 2005 SunRiva has only 240 hours and is in a good condition due to being stored since 2008. It will benefit from some modernising and cosmetic work, but the price is very keen to enable any buyer to do this and bring the boat back to a perfect condition. A superb buy for one of the classic yacht brands.
