This almost-new Lomac Adrenalina 9.5 is a racy RIB that will certainly get your adrenaline pumping. Daring in its design and colour scheme, but sensibly thought-out in terms of layout, the Lomac has a wonderful u-shaped bench and dining table at the front which can be converted into sun lounging space, an additional curved bench to the rear, plus a small kitchenette and table hidden into the helm seating. The Italian designers have also squeezed a small double cabin into the central console – complete with WC. This model carries two 300hp engines taking her to a 53 knot top speed (almost 100kph!) and, with just 170 hours use, is in immaculate condition

Price: €125000 (VAT PAID)
