

EYOS TENDERS

RIB X eXige 590

Description:

Required a chase tender. A simple layout to provide water sports and guest carrying capabilities to and from this Baltic race yacht. With a very short lead time, the layout that was agreed upon was a bench seat behind a centrally mounted helm seat and two forward bench seats. This 5.80m tender was capable of carrying 12 adult passengers plus 1 crew. The tender was powered by 115hp outboard engine.

Boat is currently in Mallorca ready for viewings.
