

EYOS TENDERS

RGB DESIGNED USMI NSW 11m RIB

Description

A military grade boat made into a superyacht tender, this boat has a serious hull for going fast and with comfort. Produced in the US the boat is constructed of Kevlar and is a completely redone, refitted, modified and customized USMI 11m RIB. Converted from a war boat into a unique one of a kind super yacht quality tender, chase boat, family boat or simply used to island hop long distances!
