WILLIAMS 505 DIESEL JET

Description:

Offering premium quality and effortless comfort, this tender is also a master of practicality. Clever use of space means your eight passengers can stretch out with space for their belongings. Handy for moving a lot of people, but even better for loading it up with fine food for a spot of alfresco dining on a secluded beach. After lunch, drop anchor, unfurl the optional bimini and lower the bathing ladder. Or for those adrenaline seekers, blast away the afternoon waterskiing.
