STANCRAFT DELUXE LOWBOY SPORT 31

Description

One of the most iconic US wooden boat brands. This boat is an incredible piece of modern history, a real joy and beautifully built. It was designed for a superyacht and has been meticulously restored. The boat is genuinely for sale and at a price that reflects this. It would make a beautiful day boat or alternatively if you are looking to have an amazing charter boat, or even a fantastic launch for your hotel or restaurant for guests, this really is a true head turner.

Built entirely from African mahogany and American Oak
