

EYOS TENDERS

Naiad Expedition Tender

Built by Naiad in New Zealand, Naiad Boats are renowned in the boating world to be tough, durable and well built. The full aluminium hull and powerful jet set up allow you to take this boat anywhere on earth. It is especially well suited to the Polar regions. With a full refit in 2015 she is in superyacht condition, ready to go and is available at a sensible price for a boat of this age and size.
